**DIPLOMA OF AGRICULTURE**

**Course structure**

**CORE SUBJECTS**

- **Develop a whole farm plan**
  Lecturer: Sally Friis
  Group A AHCAGB505A Develop a whole farm plan

- **Manage Soils**
  Lecturer: Nathan Friis
  Group A AHCSOL501A Monitor and manage soils for production

- **Manage climate risk**
  Lecturer: Michael Ison
  Group A AHCAGB501A Develop climate risk management strategies

- **Maintain farm safety**
  Lecturer: Nathan Friis
  Group C AHC0H5401A Maintain occupational health and safety processes

- **Manage the farm business**
  Lecturer: Michael Ison
  GROUP A AHCBUS506A Develop and review a business plan
  GROUP A AHCBUS507A Monitor and review business performance
  GROUP B AHCBUS508A Prepare and monitor budgets and financial reports

**ELECTIVE SUBJECTS**

**Livestock stream**

- **Develop a livestock production plan**
  Lecturer: Emma Oke
  AHCLSK505A Develop production plans for livestock
  AHCLSK501A Manage livestock production

- **Develop a livestock breeding strategy**
  Lecturer: Mia Mackay
  AHCLSK503A Develop and implement a breeding strategy

- **Arrange marketing of livestock**
  Lecturer: Michael Ison
  AHCLSK502A Arrange marketing of livestock

- **Develop livestock health and welfare strategies**
  Lecturer: Mia Mackay
  AHCLSK504A Develop livestock health and welfare strategies

- **Feed Livestock**
  Lecturer: Michael Ison
  AHCLSK402A Develop livestock feeding plans

**Crop and pasture stream**

- **Develop a crop production plan**
  Lecturer: Michael Ison
  AHCBC501A Manage agricultural crop production
  AHCBC507A Develop production plans for crops

- **Manage crops and pastures**
  Lecturer: Michael Ison
  AHCBC503A Manage integrated crop and pasture production

- **Weeds in crops and pastures**
  Lecturer: Michael Ison
  AHCBC505A Plan and manage long term weed, pest and/or disease control in crops

- **Forage conservation**
  Lecturer: Michael Ison
  AHCBC502A Manage forage conservation

**ALTERNATIVE ELECTIVE SUBJECTS**

**People and Business skill set**

- **Plan and manage infrastructure**
  AHCAGB502A Plan and manage infrastructure requirements

- **Manage staff**
  AHCBUS501A Manage staff

- **Market agricultural products and services**
  AHCBUS502A Market products and services
  AHCBUS505A Develop a marketing plan

- **Report on field day**
  AHCWRK503A Prepare reports

**Organics skill set**

- **Develop an organic management plan**
  AHCORG501A Develop an organic management plan

- **Prepare the enterprise for organic certification**
  AHCORG502A Prepare an enterprise for organic certification

- **Manage organic livestock production**
  AHCORG402A Manage organic livestock production

- **Manage organic soils**
  AHCORG403A Manage organic soil improvement
