Tocal College Traineeships
The best of both worlds!

Trainees get nationally accredited training and qualifications while being paid to work in the industry they love.

Employers* receive government incentives while encouraging their workers to gain new skills and knowledge. * Eligibility rules apply.

Tocal provides trainers with current industry knowledge and the resources of its residential campus and commercial farming operations in the Hunter Valley.

Trainees attend six, week long blocks and stay on campus if they choose.

NSW Government rebates exist for accommodation and travel.

First block for 2015 begins 2/2 but applications and late enrolments are accepted throughout the year.
