WHS & HR

fundamentals

Calling business owners, managers and supervisors in grains, rice, cotton, horticulture and viticulture!

- Do you want to improve WHS and staff management in your business?
- Do you want to understand the bones of a great WHS management system?
- Do you want to understand your legal obligations when it comes to staff?
- Do you want some tips on attracting and retaining staff?
- Do you want to effectively manage staff performance and get the best out of your team?
- Do you want to ensure your paperwork and systems are practical but compliant?

If so, this course is for you!

Tocal College have proudly partnered with NSW Farmers to deliver WHS & HR training **online** with recorded and written content plus **10 live webinars**.

Explore these **3 great topics** over **16 weeks**.

- ▶ **Work Health and Safety**
- ▶ **Industrial Relations - Understand your legal obligations**
- ▶ **Managing your team**

“I completed the WHS & HR training online in 2020. Content which generally can seem dry is made very interesting by this team. Webinars were well run and broken down into manageable topics. Over the 12 weeks you could come away from each webinar, complete your assessments and then implement into your business without feeling overloaded or overwhelmed. A great way of doing to course.”
